

# UNDERGRADUATE MINOR IN APOLOGETICS

## Lincoln Christian University

New – Fall 2020

The apologetics minor provides special preparation for clearly presenting and effectively defending the Christian faith. It emphasizes the principle of “always being prepared to make a defense ... for the hope” that Christianity offers (1 Peter 3:15 ESV). It enables a deeper understanding of contemporary culture and develops vital communication skills to engage an increasingly skeptical world.

Partial scholarships for some courses are available through the Room For Doubt program. Applications are required. For further information, contact the Director, Dr. Richard Knopp, at [rknopp@lincolnchristian.edu](mailto:rknopp@lincolnchristian.edu) (217-732-3168 x3808).
